dedicated to the 80th anniversary of the Honorary Worker of Education of the
Republic of Kazakhstan, Academician of the Academy of Agricultural Sciences of the
Republic of Kazakhstan, Academician of the International Academy of Ecology,**

Doctor of Agricultural Sciences, Professor

NAZIA SHUKENOVNA SULEIMENOVA

**on the topic: "PROSPECTS FOR RATIONAL ENVIRONMENTAL
MANAGEMENT AND PROBLEMS OF INTELLIGENT AGRICULTURE"**

Dear colleagues!

We invite you to take part in the International scientific and practical Conference "Prospects for rational nature management and problems of intelligent agriculture" dedicated to the 80th anniversary of Academician of the Academy of Agricultural Sciences of the Republic of Kazakhstan, Doctor of Agricultural Sciences, Professor Naziya Suleimenova, which will be held on May 17-18, 2024 at KazNAIU in Almaty, Republic of Kazakhstan.

The purpose of the conference: solving the problems of modernization of agricultural science for rational nature management in the context of global climate change and its impact on the environment, improving a balanced ecosystem that ensures stable efficiency, environmental and food security in the development of intelligent agriculture.

Participation in the conference is an excellent opportunity to highlight the results of valuable scientific research by scientists, researchers, doctoral students, undergraduates and farmers.

Participation in the conference is free of charge.

Following the results of the Conference, it is planned to publish a collection of conference materials. The conference materials will be published in the periodical scientific collection "**Prospects for rational nature management and problems of intelligent agriculture**". The collection will be placed article by article in the Scientific Electronic Library and as a periodical printed publication with an ISBN assignment.

The authors are responsible for the quality of the submitted material. The text is the original and cannot be edited. The Organizing Committee reserves the right to select materials for publication. The received materials will be examined by the editorial board, according to which the submitted materials will be included in the conference collection. Materials that have not passed the examination will not be returned to the authors. As well as materials submitted later than the specified deadline or designed in accordance with the requirements are not considered and are not returned to the authors.

Terms of participation:

Participation is determined by the Organizing Committee of the Conference on the basis of the official application of the conference participants. Travel expenses and hotel accommodation are covered at the expense of the sending party. Meals for the Conference participants are provided at the expense of KazNAIU (lunch and dinner).

The procedure and deadlines for submitting materials for publication:

Applications and materials for participation indicating the topic of the reports and an article with a review of the conference are accepted by e-mail until March 31, 2024.

Conference format: online and offline

The working languages of the conference are Kazakh, Russian and English.
