#### **Information on the number of publications for the last 3 years**

| <b>Type of publications</b>  | <b>Quantity</b> |
|--|-----------------|
| Publications in the recommended journals of the MES RK                 | 15              |
| Publications in rating journals  | 11              |
| Teaching aids  | 2               |
| Electronic teaching aids   | 2               |
| Monographs   | 1               |
| Abstracts and reports at conferences, symposiums (foreign, republican) | 20              |

#### **The main scientific publications (for the last 3 years)**

| <b>Name of the publication</b>   | <b>Author(s)</b>   | <b>Year of the edition</b> | <b>Name of the edition, volume, number, page</b>  |
|--|--|----------------------------|---|
| The amino acid composition of unconventional poly-cereal flour for pasta   Composição de aminoácidos de farinha poli-cereal não convencional para massa. | Ospanov A., Muslimov N., Timurbekova A., Mamayeva L., Jumabekova G.                        | 2020                       | Periodico Tche Quimica, 2020, 17(34), pp. 1012–1025   |
| Intensification of fermentation process using natural sweeteners   | Mamayeva L., Yerbulekova M., Askarbekov E., Ashimova P., Muratbekova K.                    | 2020                       | Journal of Hygienic Engineering and Design, 2020, 30, pp. 137–141                             |
| The effect of various dosages of poly-cereal raw materials on the drying speed and quality of cooked pasta during storage                                | Ospanov, A.A., Muslimov, N.Z.H., Timurbekova, A.K., Mamayeva, L.A., Jumabekova, G.B.       | 2020                       | Current Research in Nutrition and Food Science this link is disabled, 2020, 8(2), pp. 462–470 |
| Influence of the kappa casein genotype on the technological properties of cow milk of Simmental and Alatau breeds  | Khastayeva, A.Z., Mamayeva, L.A., Abylgazinova, A.T., ... Karimov, N.Z., Muratbekova, K.M. | 2021                       | Functional and Integrative Genomicsthis link is disabled, 2021, 21(2), pp. 231–238            |
| Qualitative indicators of milk of Simmental and Holstein cows in different seasons of lactation  | Khastayeva, A.Z., Zhamurova, V.S., Mamayeva, L.A., ... Karimov, N.Z., Muratbekova, K.M.    | 2021                       | Veterinary Worldthis link is disabled, 2021, 14(4), pp. 956–963                               |
| Results of a comprehensive   | Amanbek,   | 2021                       | International Journal of  |

|  |   |      |   |
|--|---|------|---|
| assessment of the quality of services to the population with the use of statistical methods                          | N., Mamayeva, L.A., Rakhimzhanova, G.M.                                   |      | System Assurance Engineering and Management this link is disabled, 2021, 12(6), pp. 1322–1333 |
| Fatty Acid Profile of Functional Emulsion-Based Food Products Containing Conventional and Unconventional Ingredients | Mukhametov, A., Mamayeva, L., Yerbulekova, M., Aitkhozhayeva, G.          | 2022 | Italian Journal of Food Science this link is disabled, 2022, 34(2), pp. 89–97                 |
| Study of vegetable oils and their blends using infrared reflectance spectroscopy and refractometry                   | Mukhametov, A., Mamayeva, L., Kazhymurat, A., Akhlan, T., Yerbulekova, M. | 2023 | Food Chemistry: X, 2023, 17, 100386   |
| Optimization of production of blanched apple chips using sublimation drying  | Mereke Kenzhekhanova Almas Mukhametov, Laura Mamayeva                     | 2024 | <u>Journal of Food Process Engineering</u><br>47(5),e14650                                    |
| Multimodal intelligent approach to low-temperature atmospheric plasma processing of apple slices before drying       | Mereke Kenzhekhanova Almas Mukhametov, Laura Mamayeva                     | 2024 | Food Science and Technology International   |

#### Patent / Innovative patent:

| Assigned number | Name   | Author / Patent holder                        | Date of issue and validity period |
|-----------------|--|---|-----------------------------------|
| № 70017         | Method of obtaining marmalade                                  | M.Auezov South Kazakhstan State University    | 08.07.2010                        |
| № 66287         | Composition of gelled milk-grain product                       | M.Auezov South Kazakhstan State University    | 20.12.2009                        |
| № 3386          | Method of preparation of products from rye-wheat flour         | Mamayeva L.A. Akishev N.K., Duisen Zh.        | 2018                              |
| № 3285          | Combined dairy and grain product                               | Mamayeva L.A.                                 | 2018                              |
| № 3274          | Method of obtaining marmalade based on vegetable raw materials | Mamayeva L.A.                                 | 2018                              |
| № 4067          | Method of production of bread products                         | Zhumalieva G.E. Akishev N.K. Musaeva S.D.     | 12.03.2019                        |
| № 4245          | Method of making waffles                                       | Zhumalieva G.E. Akishev N.K. Yerbulekova M.T. | 7.03.2019                         |
| № 4246          | Method of preparation of functional bakery products            | Zhumalieva G.E. Akishev N.K. Askarbekov E.B.  | 7.03.2019                         |
