INFORMATION LETTER

Dear young scientists and students!

High School Business and Law of the Kazakh National Agrarian Research University and Eren University in Bitlis invites young scientists, PhD students, master's students, and undergraduates to participate in the International Scientific and Practical Conference "Digital Ecosystem of the Agro-Industrial Complex: Integration of the Legal System and Innovative Business Models in the Context of Global Economic Transformation," which will be held on April 10, 2026.

The following sections are planned for the conference:

1. Innovative business models in the digital agro-industrial complex: economic mechanisms and industry transformation.
2. Accounting, finance and valuation: ESG agenda, digitalization and sustainable development.
3. Current issues in the development of law and legislation in the context of digitalization.

The conference will be held in a mixed (online and offline) format.

The working languages of the conference are **Kazakh, Russian, and English..**

Requirements for the design of materials:

The paper must provide a clear understanding of the nature, content, and results of the work carried out by the author.

The text of the paper (article) should not exceed 5–8 pages. It should be typed in Microsoft Word, single-spaced, in Times New Roman, font size 12, on A4 paper. The first line indent should be 1.25 cm; margins: top and bottom – 2 cm, left – 3 cm, right – 1 cm.

The title of the paper (article) should be written in CAPITAL LETTERS (bold) and centered. On the next line, centered, write the author's full name(s); below that – the email, the author's position; on the next line – the institution; below – the city and country; on the next line – the academic supervisor's academic title and full name.

After one line space, the text of the article should follow; after another line space – the list of references. The references should begin on a new line and be arranged in the order in which they are cited in the text.

Formulas must be typed using Microsoft Equation 3.0. The Organizing Committee reserves the right to reject materials that do not meet the formatting requirements.

The same person cannot be an author or co-author more than twice.

UDC.....

**YOUTH AND ENTREPRENEURSHIP: PROBLEMS AND PROSPECTS OF THE
MODERN TIMES**
