

MINISTRY OF AGRICULTURE OF THE REPUBLIC OF KAZAKHSTAN

KAZAKH NATIONAL AGRARIAN RESEARCH UNIVERSITY

INFORMATION REPORT

Dear young scientists, doctoral students, master's students and undergraduates!

Kazakh National Agrarian Research University invites you **on May 5-6, 2026** to participate in the International Scientific and Practical Conference of Young Scientists and Students, "**Smart AgroScience: Research and Innovation by Young Scientists**", which will take place in Almaty, Republic of Kazakhstan.

Conference materials will be accepted until April 23, 2026.

Conference form: online and offline.

Working languages: Kazakh, Russian and English.

The purpose of the conference: to develop creative activity and research skills among young scientists and young researchers, to involve them in solving urgent problems of modern science, as well as to promote industrial and innovative development of the agro-industrial complex and the economy of the country.

Participation in the conference is a great opportunity to highlight their scientific work for undergraduates, master, doctoral students and young scientists under the age of 40.

The following sections are planned as part of the conference:

No	Section titles	Responsible person	E-mail
1	Sustainable agriculture and ecology	Rauza Abdukerim	Rauza.Abdukerim@kaznaru.edu.kz
2	Veterinary, Zooengineering and Biotechnology	Ainura Taipova	ainura100692@gmail.com
3	Water resources and IT technologies	Ulzhan Onglassyn	ulzhan.onglassyn@kaznaru.edu.kz
4	Forestry and land resources	Gulshat Satybaldiyeva	gulshat.satybaldiyeva@kaznaru.edu.kz
5	Engineering and food technologies in agriculture	Dulat Zhalelov	zhalelov.dulat@kaznaru.edu.kz
6	Innovative Development and Digital Transformation of the Agrarian Sector: Economics and Law	Aigul Ismailova	aigul.ismailova@kaznaru.edu.kz

The organizing committee determined forum procedure:

- **May 5**, plenary and section meeting
- **May 6**, master classes, debriefing the forum, the adoption of a resolution, the presentation of diplomas and certificate.

Materials of the conference will be posted in an electronic collection on universities' website (www.kaznaru.edu.kz – Science - Electronic scientific archive - Conference collection) with assignment of ISBN. To participate in the conference, the following materials should be sent to the specified e-mail addresses of the section responsible person **before April 23, 2026**:

- abstract, prepared at the request of the conference proceedings.

To apply for participation, it is necessary to fill out the Google form: <https://forms.cloud.microsoft/r/zfF1sKseVP>

Applications received by the organizing committee after the deadline are not considered, material reports would not be published.

The quality of the material provided is the responsibility of the authors themselves. The text is original and cannot be edited. The organizing committee reserves the right to select materials for publication. Received materials will be examined by the editorial board, at the conclusion of which the submitted materials will be included in the conference book. In case of materials, have not passed the expert determination, it would not be returned to authors. As well as materials submitted after the deadline or executed in non-compliance by the requirements aren't considered and wouldn't be returned to authors.

Publication of abstracts in the conference proceedings is FREE OF CHARGE

For any enquiries, please contact the conference organizing committee at the email addresses listed above, or by telephone: **+7 (727) 262-17-77**

Travel expenses (travel, accommodation and meals) are to be covered by the forum participants or the sending organization.
