INTERNATIONAL SUMMER SCHOOL - 2026

**Kazakh National Agrarian Research University Announces
the International Summer School 2026**

Dear colleagues, students, and young researchers!

The Kazakh National Agrarian Research University (KazNARU) is pleased to announce the International Summer School 2026, which will take place from June 1 to June 14, 2026 in Almaty, Kazakhstan.

This Summer School provides an academic and professional platform for master's and PhD students, young researchers, and professionals eager to deepen their knowledge, enhance research skills, and engage in interdisciplinary collaboration. The program includes a series of interactive lectures, workshops, and seminars, allowing participants to actively engage in discussions with leading scientists, business representatives, and experts.

Participants will gain a comprehensive understanding of the latest achievements in agrotechnology, veterinary medicine, ecology, and innovative business processes, as well as expand their academic and professional network. At the end of the Summer School, participants will receive:
