

Almaty Branch of the
National Research University

**«Tashkent Institute of
Irrigation and Agricultural
Mechanization Engineers»**

2025 year

In accordance with the agreement reached during the state visit of the President of the Republic of Kazakhstan Kassym-Jomart Tokayev to Tashkent in December 2022, and following the results of the meeting between the Heads of State of the Republic of Kazakhstan and the Republic of Uzbekistan held on March 3, 2023, in the city of Shymkent, a decision was made to establish a branch of the National Research University “Tashkent Institute of Irrigation and Agricultural Mechanization Engineers” on the basis of the Kazakh National Agrarian Research University.

With the support of the Presidents of both countries, the branch of the National Research University “Tashkent Institute of Irrigation and Agricultural Mechanization Engineers” was opened at the Kazakh National Agrarian Research University in the 2024–2025 academic year with the aim of training highly demanded specialists in the field of water management.

The training of specialists at the branch is carried out in accordance with the state educational standards of the Republic of Kazakhstan and the Republic of Uzbekistan, based on the curricula and programs approved by the University.
