

2025–2026 Academic Year. Questions Considered by the Scientific Council of the JSC “Kazakh National Agrarian Research University”:

Protocol No. 6 of January 10, 2025 reflects another meeting devoted to current issues of the university’s educational and scientific activities.

Preface

The Academic Council of the Kazakh National Agrarian Research University (KazNARU) is the highest collegial governing body that addresses key strategic questions of the university’s development. Its responsibilities include approving educational programs, enhancing research activities, shaping personnel policy, and ensuring high-quality training of specialists. The Council plays a crucial role in setting academic priorities, strengthening international cooperation, and introducing innovative approaches into the educational process.

Special attention is given to the modernization of curricula, the development of master’s and doctoral programs, and the creation of conditions for effective work of dissertation councils.

Agenda

The decisions of the Academic Council are aimed at consolidating KazNARU’s position as a leading scientific and educational center in the country.

1. Approval of curricula for master’s and doctoral students in scientific-pedagogical and professional fields of the winter intake, based on the state educational order and paid contracts.
2. Miscellaneous issues.

2.1. Posting on the website of the Committee for Quality Assurance in Science and Higher Education of the Ministry of Science and Higher Education of the Republic of Kazakhstan documents of faculty members and scholars applying for the title of Associate Professor.

2.2. Changes in the permanent composition of the Dissertation Council in the field of training personnel 8D086 “Water Resources and Water Use” (specialties “Water Resources and Water Use”; 8D08603 “Water Resources Management Using Information Technologies”; 8D08602 “Land Scaling, Improvement and Protection”; 8D08604 “Educational Programs on Water Safety”).

Protocol No. 7 of January 24, 2025 reflects the proceedings of a meeting of the Academic Council devoted to current organizational and academic matters of the university.

Preface

The Academic Council of the Non-Profit Joint-Stock Company “Kazakh National Agrarian Research University” is the highest collegial governing body responsible for determining the strategic directions of the university’s development. Its activities are aimed at improving the quality of educational and scientific processes, ensuring transparency in decision-making, and strengthening the academic potential of the university.

Special attention is given to the effective allocation of educational grants, support of talented students, and compliance with established procedures for awarding academic titles to members of the faculty.

Agenda

1. On the nomination of candidates for vacant educational grants that became available during the course of higher and postgraduate education at the Non-Profit Joint-Stock Company “Kazakh National Agrarian Research University”.
2. On the approval and submission of documents of a teacher-researcher applying for the academic title of Associate Professor to the Committee for Quality Assurance in Science and Higher Education of the Ministry of Science and Higher Education of the Republic of Kazakhstan.

Decisions

1. To approve the nomination of candidates for vacant educational grants in accordance with the established requirements and based on academic performance, ensuring transparency and fairness in the selection process.
2. To approve and submit the documents of the teacher-researcher applying for the academic title of Associate Professor to the Committee for Quality Assurance in Science and Higher Education of the Ministry of Science and Higher Education of the Republic of Kazakhstan in accordance with the established procedure.

Protocol No. 8 February 13, 2025 reflects the proceedings of a meeting of the Academic Council devoted to summarizing the results of scientific, educational, and social activities of the university, as well as addressing current organizational issues.

Preface

The Academic Council of the Non-Profit Joint-Stock Company “Kazakh National Agrarian Research University” carries out systematic work aimed at improving the quality of scientific research, educational processes, and social development of students. The Council evaluates the results of the university’s activities, determines priority areas for further development, and ensures the implementation of strategic objectives.

Particular attention is paid to the analysis of academic performance, development of human resources potential, improvement of the regulatory framework, and strengthening the integration of science, education, and practice.

Agenda

1. “Kazakh National Agrarian Research University” NJSC – results of scientific work carried out in 2024 and development directions.
2. “Kazakh National Agrarian Research University” NJSC – results of social and educational work and future plans.
3. Information on the results of the winter examination session of university students.
4. Miscellaneous issues:
 - 4.1. On submitting documents of a teacher-researcher applying for the academic title of Associate Professor to the Ministry.
 - 4.2. On posting documents of candidates for the academic title of Associate Professor on the university website.
 - 4.3. On reappointing the domestic scientific supervisor of PhD doctoral student Lyazzat Balğabaykyzy Mukanova (Educational Program 8D080201 – “Technology of Livestock Product Production”).
 - 4.4. On appointing the first domestic scientific supervisor of PhD doctoral student Ainur Dyusembekkyzy Orakbayeva.
 - 4.5. On replacing the foreign scientific supervisor of doctoral student Marzhan Muratovna Shormanova (6D120100 – “Veterinary Medicine”).
 - 4.6. On replacing the foreign scientific supervisor of doctoral student Raushan Kadirbayevna Nurpeisova.

- 4.7. On reviewing monographs, recommendations, and guidelines prepared by the teaching staff at the Academic Council.
- 4.8. On approving regulations for developing video lectures using distance learning technologies.
- 4.9. On considering awarding the honorary title “Honored Worker of Kazakhstan” to Professor T.A. Atakululy.
- 4.10. On approving the regulation on the rating system for faculty members, departments, and faculties.
- 4.11. On reapproving dissertation topics and supervisors due to changes in specialty codes.
- 4.12. On approving regulations for conducting the Republican subject Olympiad among university students.

Decisions

1. To take note of the results of scientific work for 2024 and approve the proposed priority directions for further development.
2. To take note of the results of social and educational work and approve the planned activities for the upcoming period.
3. To take note of the results of the winter examination session and recommend measures to improve academic performance.
4. On miscellaneous issues:
 - 4.1. To approve and submit the documents of the teacher-researcher applying for the academic title of Associate Professor to the authorized body in accordance with the established procedure.
 - 4.2. To ensure the timely posting of documents of candidates for the academic title of Associate Professor on the university website.
 - 4.3. To reappoint the domestic scientific supervisor of the specified doctoral student in accordance with established procedure.
 - 4.4. To appoint a domestic scientific supervisor for the specified doctoral student.
 - 4.5.–4.6. To approve the replacement of foreign scientific supervisors for the specified doctoral students in accordance with academic requirements.
 - 4.7. To approve the presented monographs, recommendations, and methodological guidelines.
 - 4.8. To approve the regulations for developing video lectures using distance learning technologies.

- 4.9.** To support the nomination for awarding the honorary title “Honored Worker of Kazakhstan.”
- 4.10.** To approve the regulation on the rating system for faculty members, departments, and faculties.
- 4.11.** To approve updated dissertation topics and supervisors in connection with changes in specialty codes.
- 4.12.** To approve the regulations for conducting the Republican subject Olympiad among university students.

Protocol No. 9 March 26, 2025 reflects the proceedings of a meeting of the Academic Council devoted to the planning of the academic process, approval of academic and scientific documentation, and consideration of current organizational issues.

Preface

The Academic Council of the Non-Profit Joint-Stock Company “Kazakh National Agrarian Research University” ensures the systematic development of educational and scientific activities in accordance with national standards and strategic priorities. The Council plays a key role in approving academic regulations, coordinating research training, and maintaining high standards of academic quality.

Particular attention is given to the organization of the academic process, development of dissertation research, improvement of educational programs, and strengthening of the university’s academic and methodological framework.

Agenda

1. On approving the Academic Calendar for the 2025–2026 academic year (Bachelor’s, Specialist, Master’s, PhD).
2. On approving the composition of dissertation councils (Forestry, Environment, Livestock, Architecture and Construction).
3. On submitting documents for candidates applying for the academic title of Associate Professor.
4. On posting documents of candidates for the academic title of Associate Professor on the university website.
5. On approving textbooks and teaching aids prepared by faculty members.
6. On approving monographs prepared by faculty members.
7. On approving dissertation topics and supervisors of first-year PhD students admitted in the winter intake.
8. On approving thesis topics and supervisors of Master’s students.
9. Miscellaneous issues:
 - 9.1. On reassigning supervisors due to staff dismissal or mismatch of qualifications.
 - 9.2. On changing the dissertation topic of PhD student Adkham Aminovich Akhmedov.
 - 9.3. On nominating Temirzhan Erkasuly Aitbayev for the state award “Kurmet” Order.
 - 9.4. On updating educational programs and catalogs of elective courses.
 - 9.5. On approving the regulation on the Academic Quality Council.

9.6. On approving the regulation on the Republican Educational-Methodological Association.

9.7. On continuing the issuance of diplomas with the previous university logo until the existing stock is fully utilized.

Decisions

1. To approve the Academic Calendar for the 2025–2026 academic year for all levels of higher and postgraduate education.
2. To approve the updated composition of dissertation councils in the specified fields.
3. To approve the submission of documents of candidates applying for the academic title of Associate Professor in accordance with established requirements.
4. To ensure timely publication of candidate documents on the university website.
5. To approve the submitted textbooks and teaching aids for use in the educational process.
6. To approve the submitted monographs prepared by faculty members.
7. To approve dissertation topics and appoint supervisors for first-year PhD students admitted in the winter intake.
8. To approve thesis topics and supervisors for Master’s students.
9. On miscellaneous issues:

9.1. To reassign academic supervisors in accordance with personnel changes and qualification requirements.

9.2. To approve the revised dissertation topic of the specified PhD student.

9.3. To support the nomination for awarding the “Kurmet” Order.

9.4. To approve updated educational programs and elective course catalogs.

4.7. On approving subject differences required for admission.

4.8–4.10. On awarding honorary professor titles to distinguished Chinese scientists.

Decisions

1–3. To approve the submission and timely publication of documents for candidates applying for academic titles and to approve submitted monographs prepared by faculty members.

4. On miscellaneous issues:

4.1–4.6. To approve changes in dissertation topics and the reassignment of supervisors for the specified doctoral graduates in accordance with academic regulations.

4.7. To approve the subject differences for admission as required.

4.8–4.10. To award honorary professor titles to the specified Chinese scientists in recognition of their academic contributions and cooperation with the university.

Protocol No. 7 January 16, 2026 reflects the proceedings of a meeting of the Academic Council devoted to reviewing infrastructure development and academic planning for postgraduate students.

Preface

The Academic Council of the Non-Profit Joint-Stock Company “Kazakh National Agrarian Research University” oversees the strategic development of the university’s infrastructure and educational programs. The Council evaluates the effectiveness of facilities, resources, and academic planning to ensure high-quality training for Master’s and PhD students.

Particular attention is given to enhancing research and learning environments, modernizing curricula, and ensuring that postgraduate programs meet national standards and strategic objectives of the university.

Agenda

1. On reviewing the results of infrastructure development at the university.
2. On approving study plans for Master’s and PhD students admitted during the winter intake.

Decisions

1. To take note of the results of infrastructure development and recommend further measures for modernization and improvement of university facilities.
2. To approve the study plans for Master’s and PhD students admitted in the winter intake in accordance with established educational standards and requirements.

Protocol No. 8 January 22, 2026 reflects the proceedings of a meeting of the Academic Council devoted to academic grants, scholarships, faculty recognition, and editorial activities.

Preface

The Academic Council of the Non-Profit Joint-Stock Company “Kazakh National Agrarian Research University” ensures the transparent allocation of academic grants, the recognition of outstanding students and faculty, and the development of scholarly publications. The Council supervises the nomination and approval processes for financial awards, academic titles, and editorial appointments, in accordance with national standards and university regulations.

Agenda

1. On nominating candidates for vacant educational grants.
2. On awarding Presidential scholarships to outstanding students.
3. On publishing documents of candidates for the academic title of Associate Professor.
4. On updating the editorial board of a scientific journal.
5. Miscellaneous issues.

Decisions

1. To approve the nomination of candidates for vacant educational grants in accordance with academic performance and selection criteria.
2. To award Presidential scholarships to the identified students for their academic excellence.
3. To ensure the timely publication of documents for candidates applying for the academic title of Associate Professor on the university website.
4. To approve the updated composition of the editorial board of the scientific journal.
5. To address miscellaneous issues as presented during the meeting.

Protocol No. 9 February 4, 2026 reflects the proceedings of a meeting of the Academic Council devoted to academic nominations, publications, and postgraduate supervision.

Preface

The Academic Council of the Non-Profit Joint-Stock Company “Kazakh National Agrarian Research University” supervises key academic processes, including the nomination of faculty for national recognition, approval of scholarly publications, and oversight of dissertation topics and supervisors. The Council ensures that all decisions comply with national standards and uphold the university’s commitment to excellence in research and education.

Agenda

1. On nominating a candidate for election to the National Academy of Sciences.
- 2–3. On submitting and publishing documents of candidates for the academic title of Associate Professor.
4. On approving monographs for publication prepared by faculty members.
5. On approving dissertation topics and supervisors for postgraduate students.
6. Miscellaneous issues.

Decisions

1. To approve the nomination of the specified candidate for election to the National Academy of Sciences.
- 2–3. To approve the submission and timely publication of documents of candidates applying for the academic title of Associate Professor.
4. To approve the submitted monographs for publication.
5. To approve the dissertation topics and supervisors for postgraduate students in accordance with academic regulations.
6. To address miscellaneous issues as presented during the meeting.

Protocol No. 10 February 23, 2026 reflects the proceedings of a meeting of the Academic Council devoted to academic grants, educational program updates, faculty recognition, and strategic organizational matters.

Preface

The Academic Council of the Non-Profit Joint-Stock Company “Kazakh National Agrarian Research University” ensures the effective management of academic resources, approves educational and scientific programs, and supervises faculty recognition processes. The Council also addresses strategic institutional initiatives, ensuring alignment with national standards and the university’s development priorities.

Agenda

1. On nominating students for vacant educational grants.
2. On approving updated and newly developed educational programs.
- 3–4. On submitting and publishing documents of candidates for the academic title of Associate Professor.
5. Miscellaneous issues:
 - 5.1. On approving the development strategy of the military department.

Decisions

1. To approve the nomination of students for vacant educational grants in accordance with academic performance and eligibility criteria.
2. To approve updated and newly developed educational programs, ensuring compliance with national regulations and university standards.
- 3–4. To approve the submission and timely publication of documents for candidates applying for the academic title of Associate Professor.
5. On miscellaneous issues:
 - 5.1. To approve the development strategy for the military department, ensuring alignment with university objectives and national standards.

Protocol No. 11 March 18, 2026 reflects the proceedings of a meeting of the Academic Council devoted to student scholarships, dissertation approvals, faculty recognition, scholarly publications, and organizational monitoring.

Preface

The Academic Council of the Non-Profit Joint-Stock Company “Kazakh National Agrarian Research University” oversees the allocation of academic scholarships, approval of dissertation topics, publication of monographs, and recognition of faculty achievements. The Council ensures transparency, compliance with national regulations, and alignment with the university’s strategic priorities, including language policy and document flow management.

Agenda

1. On awarding Presidential scholarships to outstanding students.
- 2–3. On approving dissertation topics and assigning supervisors for PhD and Master’s students.
- 4–5. On submitting and publishing documents of candidates for the academic title of Associate Professor.
6. On approving monographs prepared by faculty members.
7. Miscellaneous issues:
 - 7.1. On presenting the results of document flow monitoring in accordance with the university’s language policy.

Decisions

1. To award Presidential scholarships to the identified students for their academic excellence.
- 2–3. To approve dissertation topics and appoint supervisors for PhD and Master’s students in accordance with academic regulations.
- 4–5. To approve the submission and publication of documents of candidates for the academic title of Associate Professor.
6. To approve the submitted monographs prepared by faculty members.
7. On miscellaneous issues:
 - 7.1. To take note of the results of document flow monitoring in compliance with the university’s language policy and recommend necessary actions.

Chief Scientific Secretary

U.K. Kerimova
